SHAILER PARK STATE SCHOOL

Introduction to the State School Consent Form (attached) for Shailer Park State School.

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

Following is a list of online and social media websites and traditional media sources where the school may publish your child's personal information or student materials subject to your consent.

STUDENT RESOURCE SCHEME 2026 Parent Information Letter

Dear Parents/Carers

This letter includes important information about the fees and inclusions for the School Student Resource Scheme (SRS). To provide parents with a cost-effective alternative to purchasing textbooks and/or resources elsewhere, Shailer Park State School operates an SRS.

The SRS fee is:

Prep to Year 2 \$100

Year 3 to Year 6 \$140

Invoices will be issued in week 3 of Term 1 and all SRS money needs to be paid by Tuesday 24 March 2026. To ensure eligibility for academics, excursions, and incursions, SRS invoices must be paid in full, or a payment plan entered into. Once you join the scheme, your participation is assumed for the remainder of your child's enrolment at this school.

What is provided by the by the Queensland Government?

The Queensland Government supports children's education by funding instruction (teachers) facilities (school grounds and buildings, internet) and administration (staff to run the school). Funding for schools does not extend to individual students' resources such as textbooks, equipment for personal use and many items used by the student in the classroom. The SRS helps parents to source these resources and offers the same standard of resources to all students. The school can purchase resources at lower rates due to its bulk-buying power. Resources such as musical instruments that will be used over a period of time are hired to students to further reduce costs for families.

What does the Student Resource Scheme cover?

The SRS is an all-inclusive fee for each individual student for resources for the year. The overall amount is made up of three components:

1. Student Consumable Resources for Learning
Consumables such as: additional art supplies, whiteboard markers, craft materials, photocopy paper, display folders & student materials for classroom projects etc.
2. General Resources for Learning
Decodable readers, text books, novels, Printing – reference material to compliment and/or substitute for textbooks, classroom resources for literacy & numeracy activities
3. Access to IT resources
Prep-Year 2 access to Laptops and Ipads, Year 3-6 1 to 1 laptop usage, Audio & Visual recordings, Digital Apps and Online Subscriptions for learning platforms

WHAT THE STUDENT RESOURCE SCHEME DOES NOT PROVIDE

- The consumables/stationery required by students - Please refer to the "Year Level Booklists" to be provided by Parent/Carer. **Please note that these "consumables" are required on the first day of term one, 27 January 2026.**
- An additional fee for students choosing to participate in one of our Additional programs or Academies
- Excursion, Incursions, extra-curricular and recreational activity costs

HOW DO I PARTICIPATE IN THE STUDENT RESOURCE SCHEME

As most families submitted the Student Resource Scheme Participation Agreement Form on enrolment, no further action is required unless you have not yet provided one. Forms can be obtained from the office.

Invoices will be issued through QParents, and payments can be made directly within the app.

Alternatively, payments may be made by instalments via Centrelink, if applicable (set up via Centrelink app). Parents with existing payment plans will continue with previous arrangements. Unpaid invoices will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme until payments are made. Please be aware your signature on this agreement to participate in the scheme deems you legally liable for the debt.

Financial difficulty: If you would like to participate but are experiencing financial difficulty, please contact the office to discuss options for setting up a payment plan. All discussions are confidential.

IF YOU CHOOSE NOT TO PARTICIPATE IN THE STUDENT RESOURCE SCHEME

Should you choose not to participate in the Student Resource Scheme, you **MUST** complete the Student Resource Scheme Participation Agreement Form. Tick **NO** and return this form to the School Office. If you have previously joined the scheme (i.e. you have returned the participation form and been invoiced previously) but wish to withdraw, please complete a new participation agreement form, tick the **NO** box and return the completed form to the office for processing. You will be required to pay a fee for any school produced items as indicated **AND** provide all books and associated items included in the "What the Scheme Provides" section.

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

For further information please see the 'parents and carers' site for general information on [School fees and charges](#).

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. 3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources required for their child to engage with the curriculum for a specified annual participation fee.

Participation in the SRS

13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school’s SRS and will not be expended on other items or used to raise funds for other purposes.

Introduction to the Online Services Consent Form for Shailer Park State School

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third party online services used in our school and how your child's information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

The Online Services Consent Form is a record of the consent provided.

About the online services

After evaluation, the principal has deemed specific third party online services appropriate for school use. These online services are listed on the consent form.

Third party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy*, which outline how information and works will be used and under what circumstances they may be shared.

Student information

The consent collected by the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed and stored within online services (e.g., when registering accounts, only mandatory information will be disclosed).

Student works

Works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or works will be viewable by the public), this will be indicated in 'additional consent requirements' in Section 5 of the Online Services Consent Form.

Parent information

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional consent requirements' in Section 5 of the Online Services Consent Form.

Purpose of the consent

Third party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register accounts, use, and, where specified, publish their work to these services. The form also collects your consent for school staff to collect, store, and transmit information to online services in order to manage school operations and communicate with parents and students.

It should be noted that, in some instances, the school may be required or authorised by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent.

Voluntary consent provision

It is not compulsory to provide consent. If your consent is not given, this will not adversely affect any learning opportunities provided by the school to your child.

Consent may be limited or withdrawn

You can withdraw your consent at any time by notifying the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

You may also limit your consent by providing consent for some, but not all, online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

Duration of consent

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter).

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new online services are identified for use.

Who to contact

To express a limited consent, withdraw consent or ask questions regarding consent, please contact **our administration team PH: 34408333 or email: Office@shailerparkss.eq.edu.au**.
